Dear Mrs. Kirka:

Your letter regarding the National Coin Week certificates was forwarded to the editorial department.

This year National Coin Week was handled by Lee Martin in Santa Ana, Calif. Mr. Martin sent me the list of requests for certificates; I in turn took care of making out the certificates and forwarded them on to Mr. Martin for his signature.

I have no record of receiving your requests. But I will get these certificates done and send them on to Mr. Martin for his signature. Sorry for any inconvenience.

Sincerely,

(Miss) Judy Lane
Editorial Ass't.
